Orders are made monthly

40 50lbs bags are needed to fill a pallet. Everyone gets me their order by a Monday I try to send a text reminder the weekend before orders are due. It is usually every 4 weeks and the order is placed mid month (delivery is usually a week later). Prompt pick up of feed is appreciated. There is no requirement to order every month. Payment is PayPal to jupitercreamery@gmail.com or use a Donate button on the website www.NourishingFoodForThought.org to finalize your order each month.
